GRANT A WISH

2018-2019 EPSF Classroom Grant Program-Elkhorn Grandview Middle School Wish Request

Elkhorn Grandview Middle School	<u>Suitable & Sensible Classroom Seating!</u>	Imagine walking into a classroom. Now pick another classroom, take a look around. What is the common theme? The answer to that question is student desks, tables and chairs. Now I want you to picture a classroom with flexible seating options. When you look around you see a variety of chairs and stools that offer sensible and suitable seating for students. Research and studies have proven when classrooms offer flexible seating that students demonstrate improvements in a variety of areas. Students are happy, engaged and relaxed. This is a perfect recipe for student SUCCESS. As a teacher, and especially a special education teacher, this is my main goal. Offering a variety of seating options opens that door to SUCCESS. I want to be able to offer my students alternative seating that is suitable to their individual needs. I want my classroom to look like an inviting redesigned classroom. Not a traditional classroom that they are in most of the day. As the teacher-astronaut, Christa McAuliffe said, "I touch the future, I teach". I want to provide this opportunity to my students daily, the future in classroom seating. A student centered classroom environment provides several benefits for students. It keeps students moving and active, keeps them engaged, higher academic performance, improved behavior and increased on task behavior. Students who have special needs (academic or behavioral) benefit from choices. I want to help them meet their needs with redesigned classroom seating options. Flexible seating will suit their needs as well as build success as a special education student. Flexible seating is just what they need!	Trisha Kuiper	6th	\$600.00
Elkhorn Grandview Middle School	<u>EGMS Play Production</u>	This is an extracurricular activity for students who want to excel in the performing arts, and it will give students the opportunity to participate in a group performance. Playing, practicing, and performing help students develop communication skills, cooperation, and commitment. This will also help students discover new talents, such as performance skills or set design. This is an opportunity for parents, schools, and students to come together as a community.	Rachel Jussel	6th-8th	\$1,500.00
Elkhorn Grandview Middle School	<u>HALE drama and creativity</u>	The costumes will be used for HALE enrichment/enhancement units for both 7th grade Middle Ages history class and 8th grade Civil War history class. HALE students are required to analyze the given content and convey that content in the form of a written script and skit performance. The above differentiated units are multidisciplinary including history, reading, language arts and speech and drama.	Katherine Griffen	7th & 8th	\$975.00
