

# GRANT A WISH

## 2020-2021 EPSF Classroom Grant Program- ERMS Wishes

School	Grant Name	Description	Requestor	Grade	Amount
Elkhorn Ridge Middle School	<u>Reading is Rewarding</u>	The HALE library at ERMS is in dire need of replacement books and new titles to stock its shelves. The current HALE books, which have been shared for many years by all four middle school buildings, are literally falling apart and many are missing pages. With the hope of replacements for the classic units and new titles of books as well, this much needed literature will keep the HALE reading program supported, especially as the fifth middle school opens. It is always a challenge to pair the HALE programs with the regular classroom curriculum while having enough materials for the growing population in the district. The public library used to be an option for getting enough books to teach a unit, however they have changed the way they distribute their "book bags" making it almost impossible to reserve them. These new and classic books will reinforce the love of reading with the highest readers in our district and make it easier to challenge and support the HALE student population.	Debbie Miller	6th-8th	\$1,000
Elkhorn Ridge Middle School	<u>Teaching Through the Arts</u>	I am requesting monetary funds to help support the Elkhorn Ridge Middle School theatre program. These funds will be used to continue to help build this program and create a "real-life" theatre experience for all students. The monetary funds will go towards scripts, rights and royalties, set building materials, costumes, props and other needs for the school play. These materials will give students access to a hands-on experience that is comparable to a real theatre. Materials purchased through this grant will continue to build inventory of resources for future productions. We have been humbled by the previous grants and the students are enriched with a "real-life" theatre experience, comparable to professional theatre.	Hayley Berglund	6th-8th	\$1,500
<b>TOTAL WISHES</b>					<b>\$2,500</b>

Note: There are 2 grants on the Multiple Schools Grant A Wish Approved Flyer that impact all of the middle schools.
