## 2020-2021 EPSF Classroom Grant Program- Manchester Wish Request

School	Grant Name	Description	Requestor	Grade	Amount
Manchester Elementary	<u>One School One Book</u>	One School One Book will provide a copy of a selected book to every family at Manchester. Each family is asked to read the book together, and there will be corresponding activities and questions for students at school as well. Reading aloud as a family encourages a love of reading, improves reading fluency, and improves reading comprehension when students talk about their reading with family and friends.	Jessica Piotrowski	K-5th	\$2,250
Manchester Elementary	<u>ClearTouch Interactive Panel - 75" - 6075U</u>	My classroom is in a portable and our SmartBoard is quickly becoming out of date. On certain parts of the board, when I write on it the mark glitches and moves randomly across the board. I feel that with a new ClearTouch Interactive Panel, we will spend much less time trying to see the board and more time discussing the content on the board.	Billie Stabenow	3rd	\$4,200
Manchester Elementary	<u>Flocabulary</u>	Flocabulary is a highly engaging learning program for all ages. Teachers have access to hundreds of standards-based videos that use educational hip-hop music to keep students' attention and increase achievement. Students can also interact with the site to supplement instruction. Teachers can assign reading passages, assignments, and assessments for every students. Flocabulary allows teachers to assess student learning to guide instruction. The resources available through the Flocabulary digital subscription will increase engagement and student achievement across the curriculum.	Jessica Becker	K-5th	\$2,500
Manchester Elementary	<u>Fountas &amp; Pinnell Leveled Literacy Intervention (Blue Kit)</u>	The Fountas & Pinnell Leveled Literacy Intervention is a powerful, short-term intervention, that provides daily, intensive, small-group instruction, which supplements classroom literacy teaching. LLI turns struggling readers into successful readers with engaging leveled books and fast-paced, systematically designed lessons.	Shannen Summers	K-5th	\$3,324
Manchester Elementary	<u>Fountas &amp; Pinnell Leveled Literacy Intervention (Green Kit)</u>	The Fountas & Pinnell Leveled Literacy Intervention is a powerful, short-term intervention, that provides daily, intensive, small-group instruction, which supplements classroom literacy teaching. LLI turns struggling readers into successful readers with engaging leveled books and fast-paced, systematically designed lessons.	Kimberly Shirley	K-3rd	\$3,723
Manchester Elementary	<u>IXL Language Arts (K-1)</u>	IXL Language Arts is a learning tool aligned with our curriculum that is used to practice skills learned in the classroom. This program is a way for teachers to provide students extra practice that reinforces instruction. IXL Language Arts supports student learning in grammar, vocabulary, phonics, writing, and reading. It is a great tool that provides students and teachers immediate feedback, which can help drive instruction.	Taylor Frankowski	K & 1st	\$2,138
Manchester Elementary	<u>Lightboxes- eBooks for Everyone</u>	A Lightbox is a unique student centered learning experience that can be accessed from any device. These interactive books use video, audio, maps, slideshows, worksheets, quizzes, and other interactive features to keep students engaged while improving their comprehension and vocabulary skills. The titles that are currently available are in the content areas of science, social studies, and language arts and cover a variety of topics. Every student in a class can be using the same book, at the same time, on their own device. In the upper grades, it becomes a great resource for research. Students can also access Lightboxes from home.	Robyn Dallegge	K-5th	\$308
Manchester Elementary	<u>Osmos for Learning</u>	Osmo is a hands-on learning tool for a variety of subjects, including math, technology, creative arts and language. It is an innovative iPad accessory that uses a stand and a clip-on mirror to allow an iPad's front-facing camera to recognize and track objects in the physical play space in front of the device.	Jennifer McDonald	K-2nd	\$1,012
Manchester Elementary	<u>SuperScience</u>	SuperScience is a content rich publication we would love to use in order to support our students' curiosity, knowledge and motivation to learn more about current science-related topics. This resource provides opportunities for students to learn about innovative science topics, apply content to Elkhorn's curriculum, and learn about careers and technology related to science.	Lynn Donahue	5th	\$225
Manchester Elementary	<u>We Love Our Playaways!</u>	Playaways are self-contained audiobooks. Audiobooks not only appeal to strong readers, but they help to motivate students who are low interest, non-readers, or struggling readers Students can read books that may be out of their reading level independently using Playaways. These devices help to increase comprehension, vocabulary, phonemic awareness, and fluency skills. Playaways help to accommodate students who need text read aloud. Playaways appeal to all readers.
