## Together Everyone Achieves More

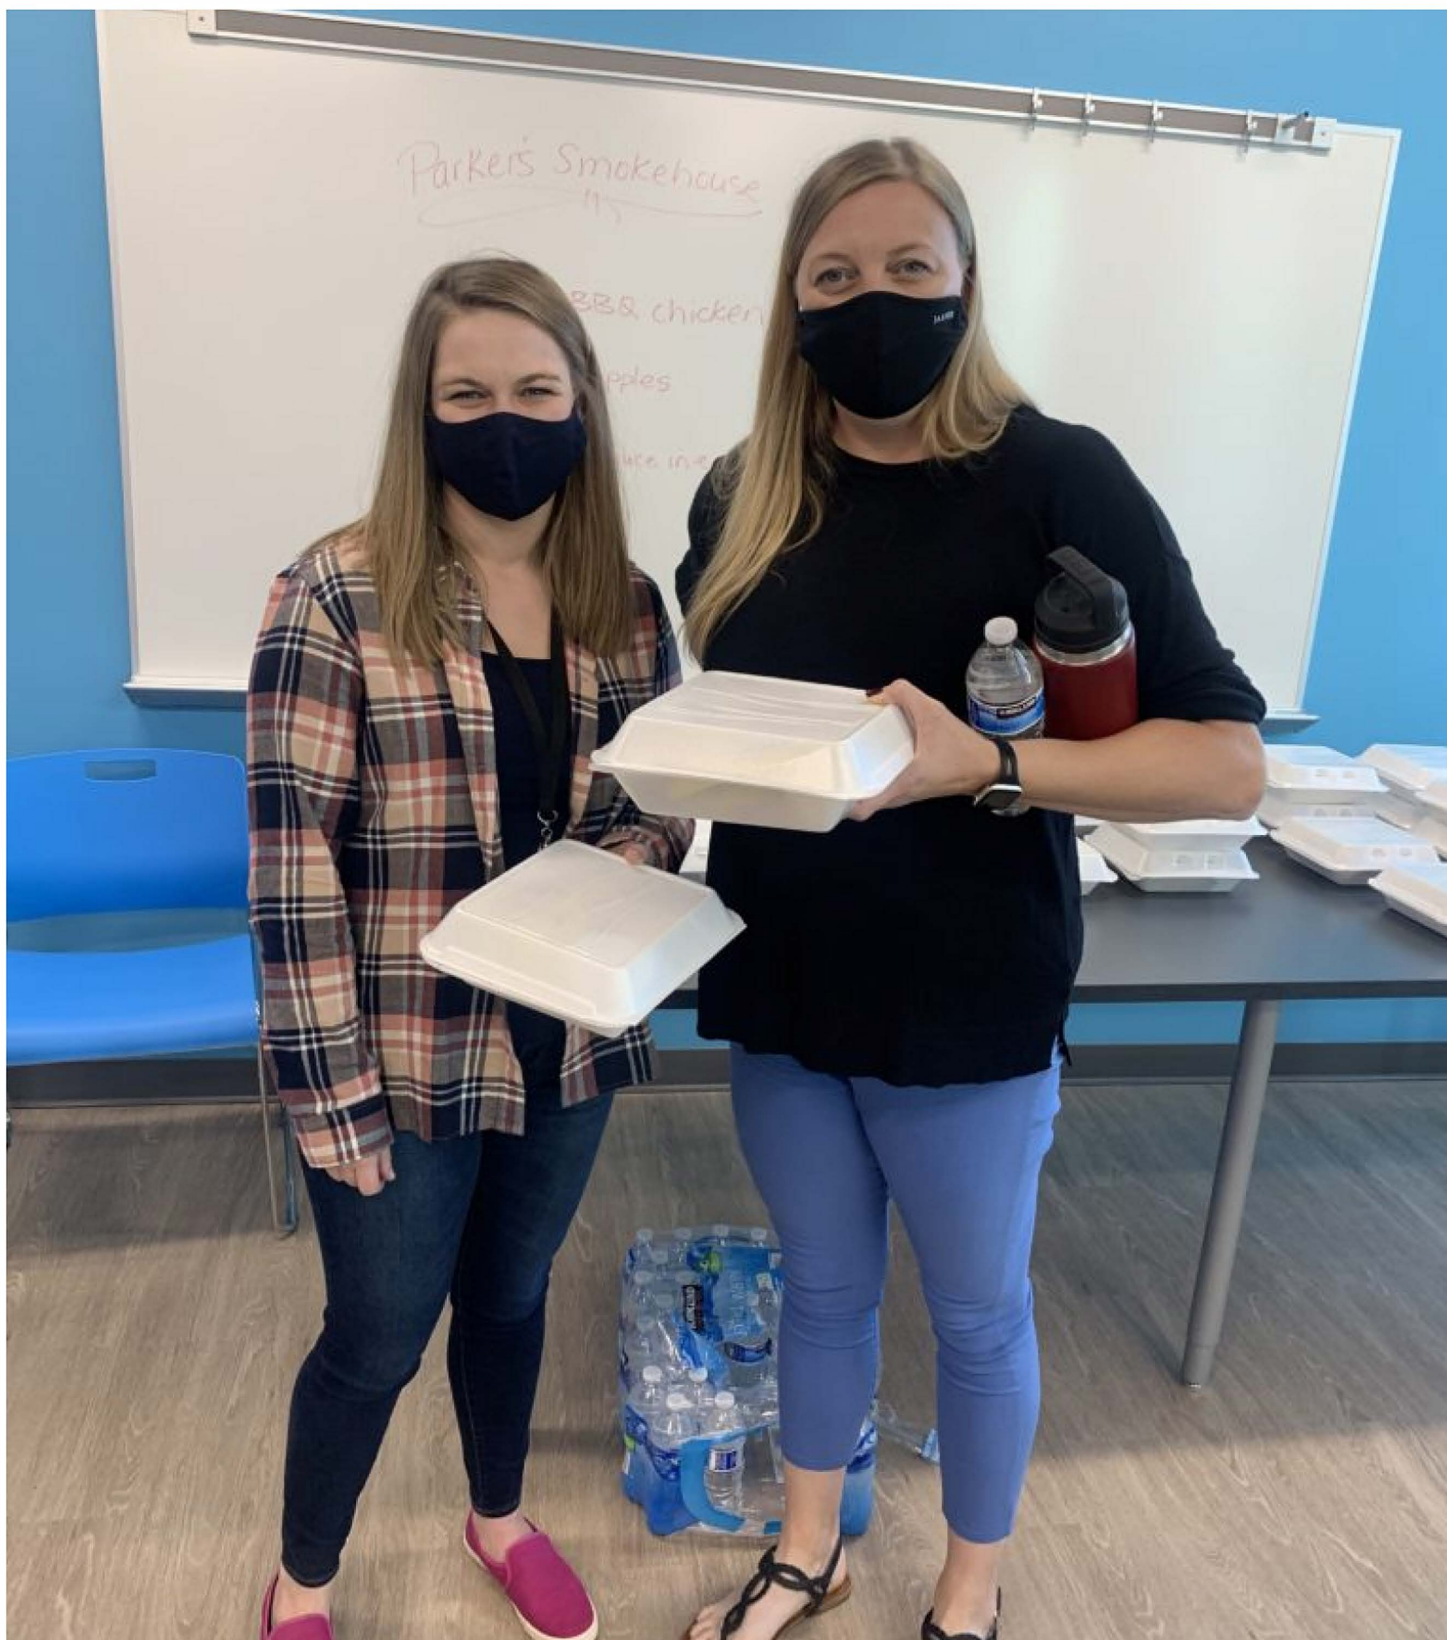

Each year, the Foundation works with the Elkhorn Public Schools District to launch our TEAM Campaign.

The TEAM Campaign is our annual fundraiser where we ask Elkhorn Public Schools staff to support the Foundation by making a monthly pledge or one-time donation. By donating to our TEAM Campaign, they help us provide additional funding for Elkhorn Public Schools Foundation programs.

## Congratulations to our TEAM Campaign Winners!

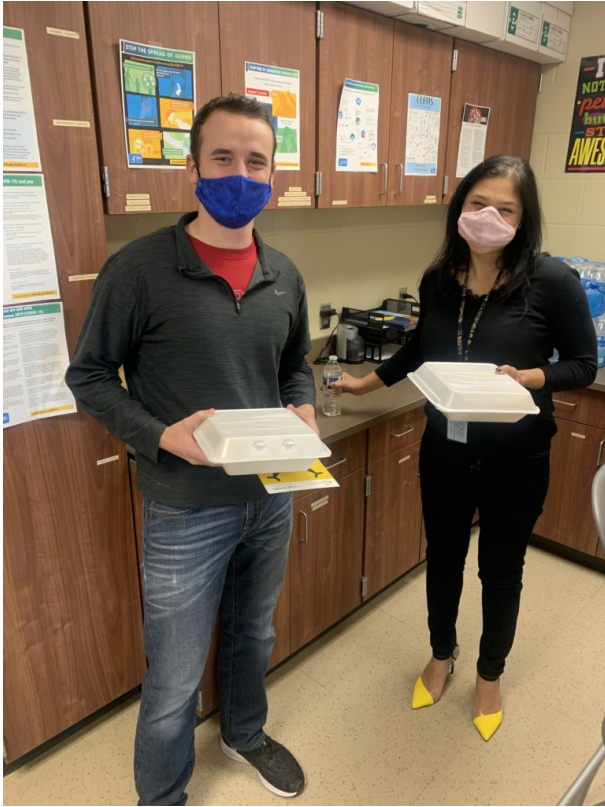

Elkhorn North High School, Elkhorn Middle School, and Westridge Elementary School were the schools that had the highest average staff donations during our TEAM Campaign. In exchange for their support, the Foundation is providing their teachers and staff with quarterly treats for the rest of the 2020-2021 school year!
