

Scholarship Recognition Breakfasts

The Elkhorn Public Schools Foundation recognizes its scholarship winners at an annual Scholarship Recognition Breakfast held at each of the high schools at the end of April. Unfortunately, with the outbreak of the COVID-19 pandemic, the 2020 breakfasts were canceled.

In lieu of our annual scholarship breakfasts, each recipient received their scholarship certificates by mail this year along with a confetti cannon card and a gift card to Dairy Chef.

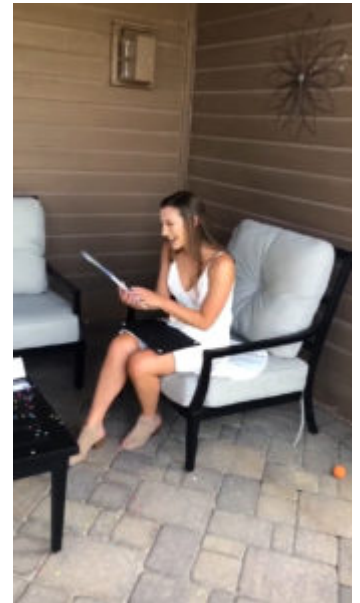

In June, the Foundation awarded \$404,750 in scholarships to Elkhorn's graduating seniors, recognizing their academic, athletic, and personal achievements.

We'd like to thank our donors, scholarship representatives, and sponsors for their support of our scholarship program. The impact of their support was immense this year. We know that these scholarships are just the beginning of a pathway to a bright future for these recipients!

Each year our scholarship program continues to grow as we add more scholarship opportunities for our Elkhorn students. If you are interested in more information regarding our Scholarship Programs, visit our website at www.elkhornfoundation.org or email Genice Chochon at gchochon@elkhornfoundation.org.
