

2022-2023 EPSF Classroom Grant Program- West Dodge Station Elementary School Grants

School	Grant Name	Description	Requestor	Grade	Amount
West Dodge Station Elementary	<u>Document Camera and Laser Pointer</u>	I have one of the older document cameras in my classroom. We use it multiple times a day. With all the daily use, it is not working like it used to. I would like to replace the document camera with a new version. I am also requesting a laser pointer. This will help me point to things as I walk around the room assisting students.	Britney Fowler	1st	\$ 413
West Dodge Station Elementary	<u>Fountas & Pinnell's Leveled Literacy Intervention Red System, Levels L-Q</u>	The Fountas & Pinnell Leveled Literacy Intervention Is a powerful, short-term intervention that provides daily, intensive, small-group instruction, which supplements classroom literacy teaching. LLI turns struggling readers into successful readers with engaging leveled books and fast-paced, systematically designed lessons. The LLI system can be used by classroom teachers, Reading Specialists, Special Education teachers and ELL teachers who are looking for a systematic approach to reading outside of the reading curriculum. The LLI Red kit provides a range of high-quality, high-interest books (levels L-Q) for students to read while receiving explicit, direct instruction to help develop and strengthen reading strategies that can then be carried over into the classroom in all subject areas. This grant will benefit students by developing engaged, enthusiastic readers while growing in the areas of reading and comprehension strategies. The LLI systems are designed to: Advance the literacy learning of students not meeting grade-level expectations in reading Deepen and expand comprehension with close reading Elevate the expertise of teachers Increase reading volume by engaging students in large amounts of successful daily reading Increase student engagement with books that build knowledge Intervene with small groups of struggling readers to maximize growth Meet the needs of struggling readers Monitor student progress.
