- Sharing any talents that may interest and educate the children.

Tuition

The Elkhorn Public Schools Foundation will automatically deduct tuition twice a month (skipping Dec 20th, this is for winter break only charges) from either a checking or savings account. **Tuition is based on the above registration categories; the tuition above only covers the 177 days the kids are in school**. **The annual amount is taken and divided up into 18 equal payments**. A withdrawal schedule is provided online for your convenience.

If childcare expenses are shared between two or more parties, EKC will divide the tuition rate between the parties, based on legal documentation (divorce decree, etc.) provided to the EKC Program Director by one or more of the parties. If both parties do not provide banking the party that does provide banking must pay 100% until the other party provides banking.

Tuition payments must be current for your child to attend EKC. Nonpayment will result in the forfeiture of the space reserved for your child in EKC. Accounts 30 days past due may be forwarded to a collection agency, with a collection fee attached.

Please Note: Parents/guardians are responsible for all charges.

Title XX Provider

EKC is an approved Title XX provider. A voided check is required even if your child is covered by Title XX. The authorization from the State of Nebraska must be provided with the registration paperwork, prior to the first day of care. Title XX recipients are expected to attend as indicated in the registration category of their contract; if a Title XX recipient does not attend as expected, the family may be billed through Tuition Express. It is the family's responsibility to make sure Title XX does not expire. If Title XX expires EKC will pull tuition from the account we have on file and a refund can not be issued.

Termination/Change of Status Fee

A fee of \$50 for each child enrolled will be assessed when a family has been granted a withdrawal from their contract or a change of status in their contract amount. To change the status an email must be sent to ekc@elkhornfoundation.org

Weekly charges continue to accrue until such time that a Termination or Change of Status Request Form is approved by the Program Director. Should a family re-enroll in the EKC program during the current school year, a \$50 non-refundable registration fee will be assessed.

If you withdraw from the program you will be considered a new family if you need to re-register.

You must remain enrolled for the current school year 2024-2025 to hold your spot for the 2025-2026 school year. If you disenroll from the 2024-2025 school year you will be considered a new family for the 2025-2026 school year.

Hardship Scholarships

The Elkhorn Public Schools Foundation will work with families during times of financial hardship. Please download a form from www.elkhornfoundation.org and fax the form to 402-289-3716 or email it to awhorlow@elkhornfoundation.org.

Late Pick-Up

Pickup time is 6 PM. If a child is not picked up prior to or at pickup time, a fee of \$1 per child will be assessed for every one-minute increment that pick-up is delayed; after 5 minutes the fee increases to \$2 per minute. This fee will be assessed through Tuition Express. When someone other than the parent/guardian picks up late, the parents/guardians will be held responsible for the late fees. More than three instances of late pickup may result in your child being disenrolled from the program.

If a child is not picked up by 6:15 PM our staff will begin contacting other authorized people on the child's registration form. If a child is not picked up by 6:45 PM, the appropriate authorities will be contacted.

Return Payment

If your bank returns any payment, a \$20 return fee will be assessed to your Tuition Express bank account. The amount of payment returned, the \$20 return fee and any other current payments or fees will be processed on the next Tuition Express withdrawal date. If the second attempt for tuition does not clear, you will receive a letter by email and a letter at your child's site letting you know that your child can no longer attend until tuition has been cleared. Cash or money orders will be required for all payments not successfully collected through Tuition Express on the second withdrawal attempt.

Tax Records

The Elkhorn Public Schools Foundation Federal Tax ID number is 90-0780704. It is the responsibility of the parent/guardian to maintain records of the total amount paid for the calendar year. Each family will be provided with a complimentary statement to the email that was provided by the end of January with the previous year's tuition and payment information. If you misplace your tax statement you will be charged \$5 to replace it.

PayFlex Statements

**Please note: In compliance with state regulations all snacks provided by EKC must include at least two food groups.

Lunch

For any full day session, lunchtime is from 11 AM to noon unless otherwise noted at site. We are not able to heat items packed in a lunch, so when a packed lunch is necessary, please be sure your child **brings a ready to eat lunch and a drink if they would prefer not to eat the lunch provided.** Please note that state regulations require each meal to include all five food groups. Most of our lunch periods are held at the EKC site. When we are on a field trip and eat at a different location, please remember that a disposable sack lunch is required.

Children and staff are to always wash and dry their hands thoroughly handling or consuming food, and after the use of the bathroom facilities

Tornado and Fire Procedures

Tornado drills are conducted at each EKC site quarterly. Fire drills are conducted at each site monthly. EKC uses the same evacuation procedure for tornadoes and fires as the Elkhorn Public Schools. There are maps posted at each site referring to tornado shelters and evacuation procedures.

Accidents and Medical Emergencies

The health and safety of children entrusted to our care is our top priority and we work to prevent accidents from happening. If a minor accident occurs during our care, an accident report outlining the care and procedures administered to your child will be completed and placed in your child's file. The accident report must be signed by the parent/guardian before the child will be allowed to return to EKC.

In the event of a medical emergency or accident requiring a doctor's treatment, we will attempt to contact the parent/guardian immediately at the telephone numbers you have supplied. If we are unable to reach a parent/guardian, our procedure is to contact the emergency people on your list and the child's physician or ambulance as needed. Ambulance units are dispatched by the city or county officials according to the location of the school and are usually required to take patients to the nearest hospital. A signed emergency medical authorization is required from the parent/guardian to allow the EKC staff to take necessary emergency medical measures. This permission is included in your registration materials.

Medication Guidelines 4-006.24

If possible, a parent/guardian should administer all students' medications at home. If a circumstance requires a student to take medication while at EKC staff will administer the medication in compliance with the regulations that follow:

4-006.24A Giving or Applying Medication: Any staff who gives or applies medication must do so in accordance with the "Five Rights" as set out in the Medication Aide Act.

The Five Rights are:

- 1. The right drug
- 2. The right recipient
- 3. In the right dose
- 4. By the right route
- 5. At the right time

<u>4-006.24B Competence to Give or Apply Medication:</u> Parents or any licensed healthcare professional are responsible for determining if center staff are competent to give or apply medication. Any licensed healthcare professional, as directed by the prescribing health professional, is competent to give or apply medication under any circumstances as long as it is within the scope of practice of that health care professional. The center director has the responsibility to assess the ability of staff to give or apply medication.

<u>4-006.24C Confidentiality:</u> Any staff who gives or applies medication must not disclose information about a child's medication or physical or mental health condition unless such information is needed to protect the health of other children or staff. The use of a posted medication sign-in sheet does not violate confidentiality if the parent has been advised in

writing that the parent has the option of using a private method of informing center staff of the child's medication needs.

<u>4-006.24D Written Permission and Instructions:</u> Any staff who gives or applies prescription or non-prescription medication may do so only with prior written permission and written instructions from a parent (email <u>ekc@elkhornfoundation.org</u> to request forms). Staff must comply with the instructions provided by the parent or inform the parent the dedications will not be given or applied.

- 1. Any error in the giving or applying medication must be reported to the parents ASAP.
- 2. The dosage must not exceed that which is printed on the label.
- 3. Expired medication must not be given or applied to a child and must be returned to the parent. The parents will sign for the expired medication.

<u>4-006.24E Unusual Circumstances:</u> The licensee must obtain a written statement (Action Plan) from the licensed health care professional who prescribed the medication allowing the center staff to give the medication when:

- 1. Any prescription medication is given or applied as needed (PRN) or
- 2. By route other than oral, topical, inhalant or instillation

The written statement (Action Plan) must describe the route and what symptoms need to exist in order for the medication to be given or applied.

<u>4-006.24H Record-Keeping:</u> The licensee/director must maintain a record as to the time and amount of medication given or applied.

<u>4-006.24I Children Taking/Applying Medication:</u> With written permission of the parent, a school-age child may take or apply his/her own medications at the direction of the parent who is responsible for direction and monitoring.

Medication is expensive, and we do not want to throw it away, but if it is not picked up at the end of the year it will be disposed of.

Please email ekc@elkhornfoundation.org to request Medication Forms.

The Program Director and/or the Foundation retain the discretion and right to reject requests for administration of medicine and/or medical intervention during EKC hours.

A notice will be posted to all families within the site, letting them know their child has been exposed to a contagious illness/disease. For confidentiality reasons, the name of the child with the confirmed illness will never be released.

Absent Child Policy

If a child is scheduled to attend EKC after school, the child does not arrive, and a parent/guardian has not notified EKC of an expected absence, the following procedure will be followed:

- 1. Check with the school secretary to see if the child has left school or has gone home ill.
- 2. Check the classroom and with the classroom teacher.
- 3. Call the parent or emergency contact numbers on the enrollment form.
- 4. If unable to reach the parent or emergency contact numbers, the police department will be called for assistance.

If step 3, "call the parent or emergency contact numbers on enrollment form," is reached on more than three (3) occasions because the parent/guardian did not notify EKC that the child would be absent, the child will be suspended from the program for three (3) days. Following the suspension, three (3) additional contacts will result in suspension for ten (10) days. Following the ten-day suspension, any additional attendance incidents will result in immediate removal from EKC for the remainder of the school year.

Child Abuse/Neglect

It is the duty of all EKC employees, volunteers, and contract employees to report any suspected child abuse, neglect or threats to the proper authorities or agency. Reports of all claims are kept on file with the Program Director.

Special Needs

If your child has special considerations (including but not limited to behavioral concerns, ADD, ADHD, hearing impairment, speech impairment, asthma, food allergies or any condition that may affect his/her ability to receive appropriate care at EKC), please notify us **AT THE TIME OF ENROLLMENT**. A Special Needs Care Plan may be developed with the involvement of the child's parents/guardians, Site Director, classroom instructor, EKC Program Director and other appropriate personnel. The feasibility of the plan's implementation will be determined by several factors, including but not limited to trained personnel resources, state guidelines and program safety. Authorization of the plan's implementation must be approved by the Elkhorn Public Schools Foundation EKC Committee.

EKC cannot provide one-on-one supervision during operating hours. Care of all children must allow the EKC to operate within the state defined guidelines of a 1:15 ratio (one staff member to fifteen children). All children enrolled in EKC must meet each of the following criteria:

- Must be between the ages of 5-12 years old,

Discipline Policy

EKC staff will always comply with Nebraska Department of Social Services regulations when supervising and disciplining students. Parents/guardians will be informed if a child's behavior becomes a discipline problem. Children are expected to abide by the same rules and guidelines as listed in the Elkhorn Public Schools Student-Parent Handbook in addition to the EKC Family Handbook.

Authority in the EKC program is established for the health, safety and well being of all the children in our program. Children are asked to address EKC employees by" Mrs.", "Ms.", or" Mr." Conditions do not exist which allow for continued "back talk", abusive language or signs from the students.

If an inappropriate behavior does occur, we will use a positive approach by encouraging the child's good behavior and redirecting their activity. If the behavior continues, the child will be removed from the situation or given a "cool down" period. The child will then have the opportunity to problem solve the incident with a staff member. Parents will be consulted regarding any serious behaviors.

When, in the judgment of the Program Director, Site Director, or Assistant Site Director, the inappropriate behavior is serious enough to warrant further action, a Behavior Sheet or a Written Warning will be given.

Behavior Sheets are given so parents and EKC can work together as a team to correct the behavior. After 3 of the same behavior sheets are given the 4th one will be a write up.

Written Warnings will be completed, and a copy given to the parent after a signature has been requested. A parent does not have to sign the form, but that does not void the write up. After three (3) reports the child will be suspended for three (3) days. Following the suspension, three (3) additional reports will result in suspension for ten (10) days. Following the ten-day suspension, any behavior serious enough to warrant a report will result in immediate removal from EKC. Reenrollments will be evaluated on an individual basis based on corrective actions taken regarding the child's behavior. **Note**: Written

warnings are tallied from the first day of summer (2024) until the last day of summer. Then the write ups start over the first day of school until the last day of school (2024-2025).

Examples of behavior which may result in immediate suspension or removal from EKC include, but are not limited to:

- Intentionally striking or injuring another child or a staff person.
- Intentionally damaging school or EKC property.
- Threatening another child or an EKC employee.
- Repeated occurrences of a behavior.
- Violent or continuous behavior problems, which endanger your child or other children.

Any parent/guardian wishing to appeal any Disciplinary Report may address their concerns by email to the Program Director awhorlow@elkhornfoundation.org. It will then be placed on the Foundation EKC Committee agenda for review. All determinations made by the Foundation EKC Committee are final.

The school facilities are the property of the Elkhorn Public School District. Damage or misuse of any part of the facility will not be allowed.

Note: During the discipline process, the child may be required to write a note or letter of apology to whomever they may have offended or a letter to their own parent/guardian explaining what they have done. Any recurrent and excessive inappropriate behavior will be discussed with the parent/guardian. If the behavior cannot be controlled, the child may be suspended or dis-enrolled from the program

Change of Status at Elkhorn Kids Campus

Families requesting a change of status need to email ekc@elkhornfoundation.org. Families will be responsible for all charges incurred, whether their children are attending EKC during the time in question, until the Program Director receives said request by email. Refunds will not be given after a deduction is done.

All fees will be processed through Tuition Express. If payment is returned, we will notify you by email and explain how the past due funds will need to be cleared up. If a family is not willing to clear up the past due amount the past due tuition will be sent to a collection agency and a reasonable collection fee may be added to the account.

Families with outstanding balances will not be allowed to enroll for summer and or the following school year until the tuition balance is paid in full.

The Elkhorn Public Schools Foundation reserves the right to refuse to terminate or modify any contract.

The Elkhorn Public Schools Foundation reserves the right to modify this Policy, from time to time, as needed, after reasonable notice has been provided.

Involuntary Withdrawal from Elkhorn Kids Campus

If EKC can no longer provide care, we will give the parent/guardian a two-week notice. The two-week notice is null and void if the child is removed for disciplinary reasons or if EKC is unable to meet the child's needs. The parent/guardian is responsible for payment of those two weeks, regardless of the child's attendance during that period. EKC may terminate services for any of the following reasons (but not limited to):

- Failure to honor obligations listed in the Family Handbook, or in additional written policies that parents/guardians have been provided.
- Any actions by parents/quardians or children that adversely affect the program.

- Failure to complete required forms.
- Lack of parent/guardian cooperation.
- Inability to meet the child's needs without additional staff.
- Failure to maintain a current account balance.
