

EKC Tuition and Deduction Dates

How is my tuition deduction amount determined? The tuition is divided into 18 equal deductions (annual amount divided by 18 = amount per withdrawal). The first deduction for the school year will take place Friday August 8, 2025. The final deduction of the school year will occur on Friday May 1, 2026. Deductions will occur twice a month. If for any reason a deduction would occur on a holiday, the deduction will draft out of your account on the following business day. Please remember that deduction amounts will differ if consolidation days, and/or late fee charges need to be billed in addition to your regular tuition/deduction amount. **Your tuition is determined by the enrollment category on your contract for which you have registered for and not based on attendance, or the number of days between deduction dates.**

****The tuition below only covers the days the kids are in school (177).**
