

Reunion Resources

The Elkhorn Public Schools Alumni Program is here to help as you reconnect with your classmates or plan reunions and events! Learn about some suggestions we have and ways we can help. Email alumni@elkhornfoundation.org with any questions.

Emails:

We can provide an email list of your class year. If we do not have someone's email address on that list, we can at least provide names of your class members that you may not have had listed. This list may not be fully comprehensive.

If you would like, we can also send an email to your class list letting them know about your reunion.

Facebook Groups:

We recommend you make a Facebook group/event for your reunion and invite as many class members as you can find. This group can provide a place for people to reference the details of the reunion, ask questions, and share it with their alumni friends. If possible, invite your corresponding Elkhorn Alumni Facebook page to like/join the group so we can stay up to date on the reunion.

Social Media:

We can share your reunion information and event date on our Elkhorn Alumni Facebook pages! We can also share information on the story of our Instagram page @ElkhornAlumni. This can be a good reminder for your class year members who may not have seen your reunion details otherwise.
