School	Grant Name	Description	Requestor	Grade	Amount
Arbor View Elementary	<u>Promoting and Inspiring Reading with Playaways</u>	The purpose of this grant is to expand our Playaway collection by adding 10 new titles and their paperback companions. A Playaway is a digital audio player with a single book pre-loaded on it. Each portable device is smaller than a deck of cards and comes in a plastic case with a single battery. No additional software is needed. Unlike other audiobook formats, the Playaway needs no additional equipment.	Stevie Sutter	AV / 3-5	\$ 875.98
Arbor View Elementary	<u>1,000 Books Before Kindergarten Incentives</u>	Arbor View Preschool has implemented "1,000 Books Before Kindergarten" with our preschool students. Our goal is to partner with families to track how many books our students read with the goal of increasing the amount of books our students are reading and being exposed to daily! Each time a preschooler reads 100 books, they get to pick out a new book to take home with them! By providing us with new/additional books, we can support our students love for literacy by continuing to allow them to pick a new book to take home each time they read 100 books.
