

2026-2027 EPSF Classroom Grant Program - Elkhorn Grandview Middle School Grants

School	Grant Name	Description	Requestor	Grade	Amount
Elkhorn Grandview Middle School	MS Play Materials	The generous grant provided to the Elkhorn Grandview MS Theatre by the foundation allows students to experience the process of simulated "real-life" auditioning, rehearsing, and performing in a purely student-produced play. Not only do they learn how to build the set, they collect props, find/order costumes, work running-crew, create light and sound designs, and learn lines/blocking to breathe life into their characters. Bringing a character to life involves memorization, critical thinking and analysis of objectives and obstacles, and learning to listen and trust fellow cast members to do their jobs.	Josie Van Houten	EGMS / 6-8	\$ 1,500.00
Elkhorn Grandview Middle School	Robotics club	This grand is for the continued development of the Grandview Robotics club. We are in need of funding to maintain our parts and equipment, and also for entry fees and cost for operating the program. The first thing is a storage system to organize our parts. We have grown a lot and added a lot of parts. We are at the point were we need a better storage system. This includes the hanging bin storage rack, bins to go with the rack, and a wheels to make the system mobile. The second item is funding for entry fees. I expect to have about 10 teams next year. Each team that competes cost \$200 for the registration and an additional \$50-\$100 for each competition. The third items is funding for replacement parts and equipment during the school year.	Sam Fletcher	EGMS / 6-8	\$ 5,519.95
TOTAL ELKHORN GRANDVIEW MIDDLE SCHOOL CLASSROOM GRANTS					\$ 7,019.95
