

2026-2027 EPSF Classroom Grant Program - Elkhorn North High School Grants

School	Grant Name	Description	Requestor	Grade	Amount
Elkhorn North High School	<u>Robotics Supplies & Registration</u>	<p>ENHS is getting a robotics room in fall 2026, and we will need to purchase materials to accommodate storage in the new space. Additionally, there is a constant need to restock our supplies and purchase new game pieces, as there is a new game introduced each year with new materials.</p> <p>Most critically, we are assuming more financial burden to pay for tournaments, as financial support from HALE was sunset this school year. We will now have to pay tournament fees and team registration from club funds. This is adding more than \$4,000 in expenses to our club. Your support would enable us to give as many kids as possible the opportunity to compete and learn.</p>	Chris Peters	ENHS / 9-12	\$ 5,684.98
TOTAL ELKHORN NORTH HIGH SCHOOL CLASSROOM GRANTS					\$ 5,684.98
