Elkhorn North Ridge Middle School	<u>Play Scripts, Play Production Rights, Costumes, Props, Set Pieces, supplies needed for a middle school play production</u>	The middle school play production is an opportunity for students to learn career technical skills and interpersonal communication skills by auditioning for a cast role or interviewing for a crew position or stage manager/assistant director role. All students participating in the play production are able to experience all aspects of a live theatre production from start to finish including helping with designing lights, costume and sound as well as creating their own characters on stage. Students are able to apply what they learn in their Speech/Drama rotation to a real life, professional scenario and perform their skills for anyone in the Elkhorn community. This grant will help fund the purchase of play scripts and performance rights as well as costumes, set and props for the yearly production.	Brenda Honliasso	ENRMS / 6-8	\$ 1,500.00
